It's embarrassing. Winfield political fights rage in the Daily Herald, airing dirty laundry for all DuPage County to see. It needs to stop.

Group Think.

Winfield trustees are currently elected "at large". What this means is they could all be next door neighbors. Often, they live in very close proximity to each other on the other side of the tracks, miles away from your house. This isolation from the rest of the village creates a "group-think" which drives the future and vision of Winfield.

Zero Growth = High Taxes.

Lately, the political vision of Winfield is one of zero growth. This zero growth policy has become a parasite sucking revenues out of budgets, causing infrastructure maintenance to be deferred. Our crumbling roads are a symptom of this policy.

Propaganda Machine.

The zero growth politicians are

well funded. Even though their ideas aren't shared by the rest of the village their money is used to create faux "news" papers like "The Winfield Register" that last only long enough to influence the latest election. Then they disappear, waiting for the next election to slander and propagandize.

Toxic Politics.

The plan is as brilliant as it is diabolical. Make Winfield politics too brutal for the average citizen. Make smart, honest and ambitious trustee candidates not want to run for elected office. Then, sweep the election with a handful of neighbors with provincial concerns. Out-spend the competition. When that doesn't work, slander your way to election victory.

"At Large" elections mean the same as "Winner Take All".

District Winfield for Peace.

If Winfield politicians are going to act like children, when they fight, they should be treated like children. Send them to their corners. Districting Winfield into 6 districts diminishes the influence of money, reduces the effectiveness of propaganda and shields good candidates from attack. Money, time and volunteers are three ways high quality trustee candidates are out-classed at the polls. Districting removes these hurdles and makes it possible for you and your neighborhood to be represented in our village government.

Take Action!

On March 20th you will have the opportunity to vote to district Winfield into 6 districts.

Vote YES for Districting. When the politicians fight, it's Winfield that gets a black eye.
